Funds in the Reserve Account will remain in the Reserve Account until one (1) year following the latest of termination of this Agreement, Merchant's last transmission of a Sales Draft or Credit Voucher to Bank, or a Chargeback submitted by Cardholder; provided, however, that Merchant will remain liable to Company for all liabilities occurring beyond such one-year period. Company may, without notice to Merchant, collect from the Reserve Account any amounts due to Bank or Company under this Agreement or any other agreement, including by exercising rights of set-off and recoupment. Merchant shall not use funds in the Reserve account or attempt to access the Reserve Account without Company's permission.
- 7.5. Assurance.** In the event of a bankruptcy proceeding, neither Bank nor Company consent to assumption of this Agreement. Nevertheless, in the event of a bankruptcy proceeding and the determination by the court that this Agreement is assumable under the Bankruptcy Code (11 U.S.C. § 365), as amended from time to time, Merchant must establish or maintain a Reserve Account in an amount satisfactory to Company. Assumption will be made under terms and conditions that are acceptable to Bank and Company and comply with applicable Laws governing such assumption.
- 7.6. Chargebacks.** Company has a right to: (i) make an immediate debit/charge via the ACH system (code CCD) to any personal and/or commercial deposit account standing in the name or names of Merchant or Guarantor(s), without notice or demand of any kind, (ii) interrupt the electronic transmission of funds to any account through the ACH system, (iii) freeze the Designated Account and Reserve Account, without notice or demand of any kind; (iv) take possession of any or all of Merchant's Sales Drafts; (d) take possession of any and all of Merchant's electronic terminals, printers, imprinters, and imprinter plates; (v) place a receiver within Merchant's place of business without notice or bond to intercept and collect all income derived from Merchant's operations until such time as any indebtedness owed to Bank or Company arising under this Agreement has been satisfied in full; (vi) obtain a writ of attachment or a writ of possession without bond pertaining to Merchant or Guarantor(s)'s personal property upon a showing of reasonable ground to believe that Merchant has committed an act of fraud or is about to misappropriate funds to which it is not entitled. Merchant shall provide any statement or notice that Company determines to be necessary to preserve and protect the security interest in this Agreement. The granting of this security interest by Merchant and Guarantor(s) in no way limits Merchant's liabilities to Company under this Agreement.
- 7.7. Account Monitoring.** Merchant agrees that Company may, each in its sole discretion, suspend Merchant's Transaction deposits for any reasonable period of time required to investigate suspicious or unusual Transaction activity, including in response to fluctuations in monthly volume and average ticket size. Merchant shall pay \$25.00 for each release of funds suspended by Company, and shall pay a 5% fee on all funds processed over any approved monthly volume. In the event of suspension of Transaction deposits by Company, Merchant agrees that a Security Processing Fee not to exceed 110% of the Transaction activity may be assessed. If a batch is suspended by Company, Merchant shall deliver the purchaser's product or service just as if the Merchant has been paid. If Company, in its sole discretion, deems Merchant's type of business a compliance risk to Company, Company may enroll Merchant in a third-party risk monitoring service ("**Monitoring Service**") at Merchant's sole expense. Merchant will either be notified in advance of underwriting approval of enrollment in a Monitoring Service and related expenses, or notified no less than 30 days in advance if Merchant has an open merchant account with Bank. Merchant's refusal to enroll in a Monitoring Service when mandated by Company may result in termination of this Agreement.

8. TERMINATION EVENTS; EFFECT OF TERMINATION.

- 8.1. Termination by Merchant.** Merchant may terminate this Agreement as follow upon Company's default of any material obligation to Merchant hereunder and the failure of Company to cure such default within thirty (30) days (or another mutually agreeable timeline) after written notice of such default is received.
- 8.2. Termination by Company.** Company may terminate this Agreement and/or any portion of the Services immediately without prior notice if (i) Company reasonably believes that fraudulent Card Transactions or other activity prohibited by this Agreement is occurring or has occurred at any Merchant location; (ii) Company is required to take action to prevent loss to Bank, Company, or Card Issuers; (iii) any circumstances exist that could or do create harm or loss of goodwill to Company, Bank, or any Card Brand; (iv) Merchant appears on any Card Brand's security or termination reporting; (v) Company's merchant acceptance criteria or Laws relating to Merchant's business change; (vi) Merchant fails to pay any fees or charges when due; (vii) Merchant has misrepresented or omitted any material information provided to Company; (viii) Merchant is in breach of this Agreement or the Rules; (ix) Merchant, after Company's request, fails to send copies of Sales Drafts to Company, or fails to send any other information reasonably requested by Company; (x) Merchant submits Sales that were not originated as a result of a direct Sale Transaction between a Cardholder and Merchant in the normal course of business ("**Laundering**"); (xi) a material change of Merchant's business as described in the Merchant Application occurs; (xii) one of the Card Brands identifies Merchant, its principal(s), Guarantor(s), or associated persons or entities under any program designed to monitor merchants; (xiii) Merchant is inactive for ninety (90) days and is not a seasonal Merchant; (xiv) a Guarantor (if designated) gives notice of its intention to withdraw its Guaranty; or (xv) Merchant has an Insolvency Event. Company has a right to immediately terminate or suspend Merchant's access to any Card Brand or Debit Network if required by the Card Brand or Debit Network, if Company no longer supports such Card Brand or Debit Network, or for any other reasonable reason.

- 8.3. Bankruptcy.** If any case or proceeding is commenced by or against Merchant under any Laws dealing with an Insolvency Event, this Agreement shall simultaneously and automatically terminate, and any amounts due to Bank and Company shall accelerate and become immediately due and payable, without the necessity of any notice, declaration or other act whatsoever by Bank or Company. Merchant shall notify Company and Bank in writing within five (5) days of any voluntary or involuntary bankruptcy filing. Merchant shall send notification by certified mail, return receipt requested, to Bank and Company at the addresses in the Notice Section of this Agreement. Credits to Merchant's Designated Account and other payments to Merchant are provisional. Bank, Company, and Merchant acknowledge this Agreement is an agreement whereby Bank is extending financial accommodations to Merchant within the meaning of 11 U.S.C. § 365(c)(2) of the Bankruptcy Code, as amended from time to time. The right of Merchant to receive any amounts due or to become due from Bank or Company is expressly subject and subordinate to the Chargeback, recoupment, setoff, lien, and security interest rights of Bank and Company under this Agreement, without regard to whether such Chargebacks, recoupment, setoff, lien, or security interest rights are being applied to claims that are liquidated, unliquidated, fixed, contingent, matured, or unmatured.
- 8.4. Curative Regulatory Right; Gaming.** Company has a right to suspend or cease providing any service or to terminate this Agreement if (i) Company believes that the continued provision of such service or performance of the Agreement violates or would violate the Rules, Laws, or regulations, including, where applicable, any ordinance or Tribal law or statute, (ii) Merchant is accused by any federal, state, or local jurisdiction (including, where applicable, a Tribal government), of a violation of any applicable statute or ordinance or any regulation, directive, or order of any governmental agency or court, or (iii) Company reasonably believes, which may be based upon the opinion of Company's legal counsel, that Merchant is in violation of any of the foregoing. If Merchant engages in gaming, Merchant represents and warrants that it is, or will be, duly licensed and/or authorized, as appropriate, to conduct and support gaming and gambling in each jurisdiction where it makes gaming and/or gambling available. Merchant shall (a) not submit gaming or gambling transactions in any new jurisdiction without Company's express written consent, (b) provide any documents or other information Company requests (e.g., licenses, legal opinions, controls, regulatory orders, etc.) to confirm Merchant has all rights and permissions to engage in gaming and/or gambling activity, and (c) notify Company of any changes in the operation of Merchant's activities and/or changes in the law that affect or could affect Merchant's gaming and/or gambling activities.
- 8.5. Effect of Termination; General Terms Regarding the Return of Equipment.**
- 8.5.1. **Discontinuation of Services.** In the event of termination or expiration of the Agreement for any reason, Merchant authorizes Company to withhold and discontinue the disbursement of funds arising from any Cards and/or other payment Transactions of Merchant in the process of being collected and deposited. Upon termination for any reason, Merchant shall immediately cease requesting and will cease transmitting Sales Drafts to Company. In the event Merchant obtains any Authorization after termination, Merchant acknowledges and agrees that the fact that any Authorization was requested or obtained shall not operate to reinstate this Agreement.
- 8.5.2. **Maintaining Reserves.** Collected funds will be placed in a Reserve Account until Merchant pays any equipment and processing cancellation fees and any outstanding charges, losses, or amounts for which Merchant is liable under this Agreement (including other Merchant Processing Agreements entered into by Merchant with Bank or Company). Further, Company reserves the right to require Merchant to deposit additional amounts into the Reserve Account based upon Merchant's processing history or anticipated risk of loss to Company. The Reserve Account shall be maintained for a minimum of one year after the termination date and for a reasonable time thereafter during which Cardholder disputes may remain valid under the Rules. The provisions of this Agreement relating to the debiting and crediting of the Account shall be applied to the Reserve Account and shall survive termination of this Agreement until Company terminates the Reserve Account. Any remaining balance after Chargeback rights have expired and all other expenses, losses, and damages have been paid will be disbursed to Merchant upon written request.
- 8.5.3. **Designated Account.** All Merchant obligations regarding accepted Sales Drafts will survive termination. Merchant must maintain in the Designated Account and the Reserve Account enough funds to cover all Chargebacks, deposit charges, refunds and fees incurred by Merchant for a reasonable time, but in any event not less than the time specified in this Agreement. Merchant authorizes Company to charge those accounts, or any other account maintained under or specified in this Agreement, for all such amounts. If the amount in the Designated Account or Reserve Account is not adequate, Merchant will pay Company the amount owed to Company upon demand, together with all costs and expenses incurred to collect that amount, including reasonable attorneys' fees.
- 8.5.4. **Equipment Fee; Early Termination Fees.** Upon completion of cancellation paperwork, Merchant shall be provided with shipping labels in order to return all equipment to Company. If Company does not receive Merchant's equipment within sixty (60) days of Merchant's request for a replacement device or the termination or expiration of the Term, then, in addition to any other applicable fees and amounts, and any other remedies of Company under this Agreement or any other agreement, Merchant authorizes Company to debit Merchant for each unreturned payment processing terminal (measured by terminal identification number) provided by Company in an amount equal to Company's reasonable replacement costs for such terminal(s) and/or device(s), which, depending on terminal or device type, typically range from \$200 to \$1,000 USD per terminal or device. In addition to any other rights of Company in the Agreement, in the event Company makes free terminals or equipment (PIN pads, POS systems) available to Merchant, including through a swap, Company reserves the right to charge Merchant \$79.00 per MID, per year for such terminals and/or equipment. If this Agreement terminates during the Term for any reason other than as a result of an unsecured breach by Company, Merchant shall be liable to Company for liquidated damages in an amount equal to the average monthly fees payable by Merchant to Company (excluding pass-through fees) for the Services in the 12 month period immediately preceding such termination (or such shorter period if this Agreement has not been in effect for 12 months), multiplied by the number of months then remaining in the Term of the Agreement. Merchant expressly agrees that the liquidated damages payable under this Agreement are in addition to any other amounts owed and/or payable by Merchant and do not constitute a penalty, and that the Parties, having negotiated in good faith for such specific liquidated damages, agree that the amount of such liquidated damages is fair and reasonable in light of the anticipated harm caused by the breach related thereto and the difficulties of proof of loss and inconvenience of obtaining any adequate remedy.
- 8.5.5. **Terminated Merchant File.** Merchant acknowledges that MATCH (formerly known as the Combined Terminated Merchant Files) is a file maintained by MasterCard and accessed by Card Brands and banks containing the business names and the identification of principals of merchants that have been terminated for one or more reasons specified in the Rules. Merchant acknowledges that

Company and/or Bank is required to report the business name of Merchant and the names and identification of its principals to MATCH when Merchant is terminated for such reasons. Merchant consents to such reporting to the Card Brands by Company or Bank and holds Bank and Company harmless from any claims Merchant may raise as a result of such reporting.

9. NO WARRANTIES; LIMITATION OF LIABILITY; INDEMNIFICATION.

9.1. Service Agreement. BANK AND COMPANY DISCLAIM ALL REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, MADE TO MERCHANT OR ANY OTHER INDIVIDUAL, INCLUDING ANY WARRANTIES REGARDING QUALITY, SUITABILITY, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR OTHERWISE OF ANY SERVICES OR ANY GOODS PROVIDED UNDER THIS AGREEMENT, INCLUDING ANY SERVICES OR ANY GOODS PROVIDED BY A THIRD PARTY. THE SERVICES ARE PROVIDED "AS IS," "AS AVAILABLE," AND ALL WARRANTIES, EXPRESS OR IMPLIED, ARE DISCLAIMED BY BANK, COMPANY, THE CARD BRANDS, AND THE CARD BRANDS' CONTRACTORS, INCLUDING THE DISCLAIMER OF ANY IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, AND FITNESS FOR A PARTICULAR PURPOSE. BANK AND COMPANY ASSUME NO LIABILITY OR RESPONSIBILITY FOR ANY ERRORS OR OMISSIONS IN THE CONTENT. THIS AGREEMENT IS A SERVICE AGREEMENT AND THE PROVISIONS OF ARTICLE TWO THE UNIFORM COMMERCIAL CODE SHALL NOT APPLY. FOR AVOIDANCE OF DOUBT, MERCHANT MAY ENTER INTO A POINT OF SALE SYSTEM SERVICE AGREEMENT WITH COMPANY. BANK IS NOT A PARTY TO SUCH POINT OF SALE SYSTEM SERVICE AGREEMENTS, AND THEY ARE NOT GOVERNED BY THIS AGREEMENT.

9.2. Limitation of Liability. Any liability of Bank or Company under this Agreement, whether to Merchant or to any other person or entity, whatever the basis of liability, shall not exceed in the aggregate the difference between: (i) the amount of fees paid by Merchant to Bank or Company, as applicable, during the first month in which the event out of which the liability arose occurred; and (ii) assessments, Chargebacks, and any offsets authorized under this Agreement against such fees which arose during such month. In the event more than one month was involved, the aggregate amount of Bank's and Company's liability shall not exceed one month's average charge paid by merchant hereunder (exclusive of interchange fees, assessments, and any other fees or costs that are imposed by a third party in connection with Merchant's payment processing) for the services during the previous twelve (12) months of such lesser number of months as shall have elapsed subsequent to the Effective Date of this Agreement. This shall be the extent of Company's and Bank's liability arising out of or relating in any way to this Agreement, including alleged acts of negligence, breach of contract, or otherwise and regardless of the form in which any legal or equitable action may be brought, whether contract, tort, or otherwise, and the foregoing shall constitute Merchant's exclusive remedy. IN NO EVENT SHALL BANK, COMPANY, OR ANY OF THEIR RESPECTIVE AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, OR SUBCONTRACTORS, BE LIABLE UNDER ANY THEORY OF TORT, CONTRACT, STRICT LIABILITY OR OTHER LEGAL THEORY FOR LOST PROFITS, LOST REVENUES, LOST BUSINESS OPPORTUNITIES, EXEMPLARY, PUNITIVE, SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, OR FOR ANY INTERRUPTION OR LOSS OF USE, DATA, VIRUSES OR OTHER MALWARE, BUSINESS OR PROFITS, EACH OF WHICH IS HEREBY EXCLUDED BY AGREEMENT OF THE BANK, COMPANY, AND MERCHANT, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE OR WHETHER ANY PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. LEGAL ACTION MUST BE BROUGHT WITHIN ONE YEAR. ALL LEGAL ACTION (INCLUDING ARBITRATION) BETWEEN MERCHANT AND BANK OR COMPANY MUST BE COMMENCED WITHIN ONE (1) YEAR OF THE DATE THE ERROR OR INCIDENT GIVING RISE TO SUCH ACTION OCCURRED. OTHERWISE SUCH ACTION IS PERMANENTLY BARRED.

9.3. Indemnification. Merchant shall indemnify, defend, and hold harmless the Card Brands, Bank, Company, each of their respective affiliates, officers, directors, agents, representatives and their employees from and against any and all claims, proceedings, demands, fees, fines, expenses (including attorneys' fees), losses, liabilities, and damages (including any fines, fees, assessments, audit fees, card replacement costs, or penalties levied against Bank or Company by a Card Brand) resulting from or arising out of: (i) Services; (ii) any breach of any term of this Agreement, including any representation or warranty; (iii) actions taken by Bank or Company in connection with a Change in Ownership; (iv) any act or omission by Merchant (including its employees, agents, and representatives; whether or not acting within the scope of their duties), including acts or omissions that violate Laws, the Rules, or the rights of another person or otherwise injures any third party; (v) the exercise by Bank and/or Company of its/their rights under this Agreement, including actions taken against the Designated Account or the Reserve Account; and (vi) Merchant's business.

10. BINDING ARBITRATION AND CLASS ACTION WAIVER.

10.1. Merchant Waivers. Merchant, on behalf of itself and its owners, partners, officers, directors, shareholders, principals, and Guarantor(s) (the "**Waiving Parties**"), agrees (i) to submit any unresolved dispute arising in connection with this Agreement to binding arbitration in lieu of litigation or other court or administrative proceedings, and (ii) that all arbitration arising in connection with this Agreement shall be on an individual basis. **AS AN EXPRESS INDUCEMENT FOR COMPANY ENTERING INTO THIS AGREEMENT, THE WAIVING PARTIES AGREE THAT CLASS ARBITRATIONS, CLASS ACTIONS, PRIVATE ATTORNEY GENERAL ACTIONS, AND CONSOLIDATIONS WITH OTHER CLASS ACTIONS ARE WAIVED AND NOT PERMITTED.** All claims or disputes shall be resolved on an individual basis by a neutral arbitrator before the American Arbitration Association ("AAA") whose decision (called an "**award**") will be final except for a limited right of review under the Federal Arbitration Act. The arbitrator may not consolidate proceedings or join them together without the consent of all parties to all proceedings. Before seeking arbitration, Merchant shall first send a written Notice of Dispute ("**Notice**"). The Notice shall describe the nature and basis of the claim or dispute and set forth the specific relief sought. If the parties do not reach an agreement to resolve the claim or dispute within 30 days after the Notice is received, Merchant may commence an arbitration.

10.2. Procedural Items.

10.2.1. Arbitration Rules. The AAA's Commercial Arbitration Rules, as modified by this Agreement, apply. To commence an arbitration, submit a Demand for Arbitration with the required fee to the AAA and send a copy to Bank and Company. For disputes involving \$25,000 or less, any hearing will be telephonic unless the arbitrator finds good cause to hold an in-person hearing. Any in-person hearing will be held in Lehigh County, Pennsylvania. The parties shall share the costs, fees, and expenses of the arbitration and the arbitrators equally.

10.2.2. Arbitrator's Authority. The arbitrator exclusively decides all issues, and has the power to rule on his or her own jurisdiction, including any objections with respect to the existence, scope, or validity of the arbitration agreement or the arbitrability of any claim or counterclaim, and has the power to determine the existence or validity of a contract of which an arbitration clause forms a part, except that a court has exclusive authority to enforce the prohibition on class-wide or representative arbitration. The arbitrator may award the same relief as a court, but may award declaratory or injunctive relief only to the individual party and only to the extent necessary to provide relief for that party's individual claim. Any court with jurisdiction may enforce the arbitrator's award, and nothing in this Agreement prohibits a party from applying to a court of competent jurisdiction for a temporary restraining order, preliminary injunction, or other equitable relief.

10.2.3. **Enforceability.** If any part of this Section is found to be illegal or unenforceable, the remainder will remain in effect, except that if a finding of partial illegality or unenforceability would allow class-wide or representative arbitration, Section 10 will be unenforceable in its entirety. The statute of limitations is a defense to the commencement of an arbitration proceeding, and the limitations of liability in this Agreement apply to any arbitration commenced under this Agreement. Company's Independent Sales Representatives are third-party beneficiaries of this Section 10.

11. MARKS; MARKETING; COMMUNICATIONS; TITLE TO THE SERVICES.

- 11.1. Marketing.** Merchant grants Company and Bank a license to its trademarks and trade names in conjunction with Company and/or Bank's marketing materials and/or website. Additionally, Merchant authorizes Company to use any reviews, feedback, submissions, surveys, and other similar material ("**Content**") in Company's marketing materials as well as on any websites of Company and its third-parties. Merchant shall, if requested by Company, take such additional steps as may be required for Company to register Merchant and/or display its Content on any applicable Company or third-party sites. Merchant authorizes Company to make public the execution of this Agreement and/or the provisions of Services under this Agreement, including by sharing Merchant's name and logo on a list of our customers that may be shared with the public.
- 11.2. Communication.** Notwithstanding any current or prior elections made by Merchant, Merchant authorizes Bank, Company, and their respective affiliates and third parties to communicate with, solicit, or market to Merchant via regular mail, telephone, e-mail, facsimile, and SMS messages (including text messages). Merchant shall hold Company, Bank, and each of their respective affiliates and third parties harmless from and against any and all claims pursuant to the federal CAN-SPAM ACT of 2003, 15 U.S.C. § 7701, the Telephone Consumer Protection Act, 47 U.S.C. § 227, and any and all other Laws relating to transmissions or solicitations by any of the methods described above. Further, Merchant understands and agrees that any telephone conversation between Merchant, Company, or Bank may be monitored and recorded.
- 11.3. Title to the Services.** The Services are licensed and not sold. As a result, Merchant acquires only a nontransferable, revocable, non-exclusive right to use the Services during the term, and only for the purpose of facilitating Transactions. Company retains all right, title, and interest in and to the Services, and anything arising in connection with the Services, including any materials provided to Merchant, feedback related to the Services, products or services developed in connection with the Services, and any data of any kind derived from Transactions, which Company can use, share, sell, and/or otherwise disclose for any purpose not prohibited by Laws, including in furtherance of providing any Services. Notwithstanding anything to the contrary any Privacy Policy or notice or in this Agreement, we have the right to use, disclose, share, and retain any information you provide or that arises out of the Services in this Agreement, during the term and thereafter: (i) with your franchisor or franchisees, associations you belong to or belonged to at the commencement of this Agreement; (ii) with your affiliates; (iii) in response to subpoenas, warrants, court orders or other legal processes; (iv) in response to requests from law enforcement agencies or government entities; (v) to comply with applicable Laws or Rules; (vi) with our affiliates, business partners and agents; (vii) to Card Associations and/or Card Brands and their designees; (viii) with Merchant Providers and their designees; (ix) to any other referral source or processor, including the applicable referrer; (x) to perform analytic services for you, us, and/or others, including analyzing, tracking, and comparing transaction and other data to develop and provide insights for those parties as well as for developing, marketing, maintaining and/or improving our products and services; and/or (xi) to offer or provide Services under this Agreement.

12. MISCELLANEOUS.

- 12.1. Entire Agreement; Counterparts.** This Agreement, including the Merchant Application, the Rules, and any exhibits to this Agreement, expresses the entire understanding of the parties with respect to its subject matter and except as provided herein, all prior or other agreements or representations, written or oral, are superseded. Reference to "this Agreement" also includes all documents incorporated into this Agreement by reference. If the Merchant Application (and thus this Agreement) or any amendments are physically signed, this Agreement may be executed and delivered in several counterparts and transmitted by facsimile, a copy of which will constitute an original and all of which taken together will constitute a single agreement.
- 12.2. Governing Law and Place to Resolve Disputes.** Without limiting Company or Bank's right to enforce the arbitration provisions in this Agreement, and subject to the next sentence, the Waiving Parties agree (i) on an exclusive basis, to bring any legal suit, action, or proceeding arising out of or relating to this Agreement or pertaining in any way to this relationship in a State or Federal Court in Lehigh County, Pennsylvania and waive any objection to venue, and (ii) that this Agreement and all claims or disputes arising out of or relating to any aspect of the relationship between Bank or Company shall be governed by the laws of the State of Pennsylvania, without regard to its conflict-of-laws principles, and applicable federal law, if brought against Company, except that the Federal Arbitration Act governs everything relating to arbitration. If a claim is brought solely against Bank, it will be governed by the laws of the State of Rhode Island, without regard to its conflict-of-laws principles, except that the Federal Arbitration Act governs everything relating to arbitration.
- 12.3. Construction.** The typographical headings used in this Agreement are inserted for reading convenience only and do not affect the interpretation of any provision. The language used will be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction will be applied against any party. Any alteration or strikeover in the text of this pre-printed Agreement will have no binding effect, and will not be deemed to amend this Agreement.
- 12.4. Assignability.** This Agreement shall not be assigned by Merchant directly or by operation of law without the prior written consent of Bank or Company. If Merchant nevertheless assigns this Agreement without consent, Merchant shall remain liable and the Agreement also shall be binding upon the assignee. Original Merchant and Guarantor(s) shall be held personally liable in the event such assignee incurs Chargebacks, retrievals, ACH rejects, losses, fines, or any other liabilities under this Agreement. This Agreement shall be binding upon and inure to the benefit of the parties' respective heirs, personal representatives, successors, and assigns. Each of Bank and Company may assign this Agreement, or otherwise assign, delegate, or subcontract, any interest therein, without Merchant's consent.
- 12.5. Notices; Consent to Electronic Communications.** By signing the Merchant Application, Merchant confirms it has the means to access the Internet through its own service provider and download or print electronic communications. Merchant agrees to the receipt of electronic communications by email or by the posting of such information by Bank or Company at one or more of their sponsored websites, such as www.shift4.com. Such communications may pertain to the Services delivered by Bank or Company, the use of information Merchant may

submit to Bank or Company, changes in Laws or Rules impacting the Services or other reasons, including amendment of this Agreement. In addition, all notices and other communications required or permitted under this Agreement by Bank or Company to Merchant may also be delivered by Bank or Company to Merchant by fax, overnight carrier, or first class mail, postage prepaid, addressed as set forth below. All notices and other communications required or permitted under this Agreement by Merchant to Bank or Company (except Notices of Dispute and Demands for Arbitration) shall be delivered by Merchant to Bank or Company by overnight carrier or certified mail, return receipt requested, postage prepaid, addressed as set forth below. Notice by fax or e-mail shall be deemed delivered when transmitted. Notice by mail or overnight carrier shall be deemed delivered on the third business day after mailing or the first business day after delivery to the overnight carrier. Following are the addresses for the purposes of notices and other communications hereunder (except Notices of Dispute and Demands for Arbitration), which may be changed by written notice in accordance with this section: (a) If to Bank, addressed and transmitted as follows: (a) If to Bank, Citizens Bank, N.A., One Citizens Plaza, Providence, RI 02903; (b) If to Company, Shift4 Payments, LLC Legal Department, 3501 Corporate Parkway, Center Valley PA 18034, Fax: (973) 630-9029 (c) If to Merchant, at the address provided as the billing address, or the fax number or e-mail address, and to the contact listed on the Merchant Application.

- 12.6. Force Majeure.** Any delay in or failure of performance by Bank or Company under this Agreement will not be considered a breach of this Agreement and will be excused to the extent caused by any occurrence beyond their reasonable control, including, but not limited to, acts of God, power outages, failures of the Internet, failures of banking, ACH, or payment networks not under direct control of Bank or Company.
- 12.7. Amendments.** Bank or Company may amend this Agreement, including by adding new terms or fees or increasing fees, at any time. Company may substitute Bank with another bank at any time. Amendments due to changes in Card Brand fees, interchange, assessments, Rules, or any Laws or judicial decision may become immediately and notice may follow such effectiveness. Company and/or Bank reserve the right to decide where to route a Transaction.
- 12.8. Taxes.** Merchant is obligated to pay all taxes, and other charges imposed by any governmental authority in connection with the Services provided under this Agreement.
- 12.9. Severability and Waiver.** If any provision of this Agreement is found to be illegal or unenforceable, the invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if the illegal or unenforceable provision is not contained in this Agreement. Neither the failure nor delay by Bank or Company to exercise, or partially exercise, any right under this Agreement will operate as a waiver or estoppel of such right, nor shall it amend this Agreement. All waivers must be in writing and signed by the waiving party.
- 12.10. Remedies Cumulative.** All rights and remedies conferred upon Bank or Company in this Agreement, at law or in equity, will be cumulative and concurrent and in addition to every other right.
- 12.11. Relationship of Parties.** The parties are independent contractors and nothing in this Agreement shall make them joint venturers, partners, employees, agents, or other representatives of another party.
- 12.12. Survival.** All sections of this Agreement that by their nature should survive termination or expiration will survive, including, without limitation, accrued rights to payment, indemnification obligations, confidentiality obligations, warranty disclaimers, limitations of liability, arbitration, dispute resolution, and other matters in Sections 4, 6, 7, and 10.
- 12.13. Audits and Reviews.** Merchant acknowledges and agrees that the Card Brands and Card Associations require Bank and Company to have rights to inspect Merchant locations and audit Merchant's records, systems, processes, or procedures to confirm compliance with this Agreement, as amended from time to time. Merchant shall cooperate with Bank and Company in their exercise of any such inspections and audits, and in performing periodic financial reviews by presenting up-to-date financial statements (including accountant-prepared statements), tax returns, bank statements, and other documents and information as required by Company in order to assure Bank and Company that Merchant maintains a favorable capital position, liquidity, stability, business practices, and general financial condition to fulfill the responsibilities in this Agreement. Such periodic reviews will be conducted on a cadence determined by Company.
- 12.14. Attorneys' Fees.** Merchant will be liable for and will indemnify and reimburse Bank and Company for all attorneys' fees (internal and external) and other costs and expenses paid or incurred by Bank, Company, or their agents in the enforcement of this Agreement, or in collecting any amounts due from Merchant or resulting from any breach by Merchant of this Agreement.
- 12.15. Other Rights.** For purposes of this Agreement, the rights of Company in this Agreement are also rights of Bank. Except with respect to settlement, which is the sole responsibility of Bank, each of Bank and Company may exercise any right or remedy individually or jointly, and may likewise exchange or allocate the duties and obligations each may owe to Merchant. Any notice Merchant delivers to Company shall also be delivered to Bank. Company reserves the right, but does not have an obligation, to provide stand-in processing for Merchant at times when any other participant is unable to authorize Transactions. Without limiting any other rights of Company, beginning on the one year anniversary following the earlier of the signature date or the Effective Date, Company shall have a right to increase the aggregate fees payable by Merchant by an amount equal to the greater of (i) the average annual change (expressed as a percentage) for the prior calendar year in the Consumer Price Index for All Urban Consumers – All Items (seasonally unadjusted) (collectively the "CPI-U") plus 1%, or (ii) 4%.
